Sir:

This paper is in response to the Official Action mailed on January 27, 2005. Payment for three months' extension of time is attached. Please charge our Deposit Account No. 18-0002 if any other fees are needed to enter this paper, and please advise us accordingly. No petition is required because of the authorization to charge, but this paper is a petition for extension of time.

Claim 1 is amended to include the subject matter of claim 5, and should be allowable. The drawing objection related to claim 5 is traversed.

New independent claim 11 combines the subject matter of claims 1 and 5, and should be allowable. New dependent claims 12-18 follow dependent claims 2-4 and 7-10 but depend from claim 11 rather than claim 1. (The objection to claim 5 is respectfully traversed and is discussed below.)
